The screenshot shows the Mymi.it website interface. At the top, there's a navigation bar with 'Home', 'Eventi', 'Locali', 'Ristoranti', 'MyMI Real Estate', and 'News'. Below the navigation bar, there are three promotional banners for real estate listings in Mallorca, each with a price starting from 706 €, 569 €, and 696 € respectively. The main content area features the event title 'Hysteria ART Gallery presents Cool-Air' under the category 'Arte e cultura'. Below the title is a large, vibrant abstract painting with bold colors like red, yellow, blue, and black. Underneath the painting is a descriptive paragraph in Italian: 'La nuova Secret Art Gallery celebra l'estate con una collettiva che si ispira ai temi del fresh&colors, esponendo per la prima volta - tra gli altri - anche le opere di Michelotto'. This is followed by a detailed text block providing information about the gallery's location at Lamari Creative Shopping, the dates of the exhibition (July 18-19, 2018), and the free admission. At the bottom, there is a 'Data e luogo' section with a map showing the gallery's location in Milan and the event details: 'Dal 18 luglio 2018 - 19:00 al 19 luglio 2018 - 21:00' at 'Hysteria Art Gallery, Via Alfredo Cappellini 20, Milano'.
